Consulting-Specifying Engineer Announces the 2023 MEP Giants

Chicago — *Consulting-Specifying Engineer*, a CFE Media and Technology brand, has announced the 2023 MEP Giants. The 100 engineering firms recognized by this award are showcased in the September 2023 edition, highlighted online at www.csemag.com/giants and honored at an in-person awards event on October 18 in Chicago.

The MEP Giants program, sponsored by Eaton, lists the top mechanical, electrical, plumbing (MEP) and fire protection engineering firms in North America. The detailed analysis of these firms reveals industry insights and how it has changed over the past several years.

The 2023 MEP Giants have earned this title by proving that they find opportunity in the many variations in the building engineering industry. The 100 firms selected as the 2023 MEP Giants continuously push the boundaries in the mechanical, electrical, plumbing and fire protection engineering sectors, providing the top engineered systems in the building business. Data collected from these firms over the past several years has helped *Consulting-Specifying Engineer* analyze and identify trends in the building engineering community.
